

Associate in Arts in Music

Program Outcomes

Upon completion of this degree, students will have experienced a comprehensive introduction to music theory and performance, providing an active space for enculturation in both academic and professional environments of the music industry. The program will foster habits of mind conducive to building a creative and active learning community. Additionally, it will promote curiosity, flexibility, and openness to new information systems and approaches to learning in the service of creating expansive and enhanced spaces for persistence, engagement, and shared responsibility for the success of the curriculum.

Employment Opportunities or Additional Educational Options

This degree prepares students for transfer to four-year institutions to study music and related fields for the long-range goal of careers in secondary education and college teaching or personal careers in performance. Students should meet with their advisor frequently to address specific career goals.
