

# Associate in Arts in Social Science

## Program Outcomes

Upon completion of this degree, students will have experienced a broad introduction to the social sciences. In coordination with the general education components, students will be able to communicate effectively in a variety of situations in the field, demonstrate knowledge of and apply concepts and theories to real world situations, and gather and analyze data within their own research.

## Employment Opportunities or Additional Educational Options

This degree prepares students to transfer to four-year institutions to study history, political science and related fields for the long-range goal of careers in secondary and college teaching, law, and social and political research. Students should meet with their advisor frequently to meet their specific needs.
