## Grady Scholarship Overview

### 2021-2022

## Grady Scholarship Mission

---

The mission of the Grady Scholarship Program is to recruit local (within the College district) underrepresented students with leadership potential and give them a jumpstart on their curricular and extracurricular goals.

## Grady Scholarship Details and Benefits

---

Grady Scholars will participate in a tailored leadership development program and one-on-one mentorship opportunity to cultivate leadership and support retention throughout their first year of college.

Grady Scholars will receive assistance in applying for on-campus jobs.

Grady Scholars will participate in tailored programming during the week prior to the start of the fall semester.

Grady Scholars will participate in recruitment of the next class of Grady Scholars, and a select number may have their scholarships renewed for their second year as they serve as mentors to the incoming class of Grady Scholars.

Up to 20 Grady Scholars will be admitted into the program.

Each Grady Scholar will be awarded a \$1,000 non-renewable non-stackable scholarship for their first year at SMC.

## Grady Scholarship Requirements

---

1. Reside in or near Cass County
2. Member of an underrepresented student population
